

Dear Pro-life friend,

ADVOCATE

Choose Life Niagara is so excited to be gathering again in support of such an important cause, promoting respect for life from conception to natural death through education. On **Saturday, April 13, 2024** at **Club Roma** in St. Catharines, we will be hosting our **Annual Respect for Life Dinner** with approximately 400 in attendance. This year we are pleased to welcome **Blaise Alleyne**, a pro-life speaker and co-author of *A Guide to Discussing Assisted Suicide* who has had thousands of conversations about abortion and euthanasia with people from all walks of life and trains people in effective pro-life apologetics. Tickets for the dinner can be purchased at chooselife.ca/events.

GUARDIAN

Each year, Choose Life Niagara is reaching hearts and minds through our major billboard campaign, informative events, sending students to the annual March for Life in Ottawa, hosting youth retreats, making ultrasounds available to vulnerable women, publishing a quarterly newsletter, having a presence on Facebook and Instagram, keeping our websites current, and speaking out for the vulnerable. A new initiative we began this year is *Life Reps Teams*, a program that teaches apologetics to our youth who are hungry for the knowledge and opportunity to defend life.
